

6th EUROSIM Congress on Modelling and Simulation
September 9-13, 2007
Ljubljana, Slovenia
<http://www.eurosim2007.org>

Modelling and simulation in structural mechanics

The main objective of this special session is to provide a forum for presentation and discussion of state-of-the-art in scientific computing applied to structural mechanics. Equal emphasis will be given to basic methodologies, scientific development and industrial applications.

Do not hesitate to contact us if you have any doubts regarding the integration of your work in our session.

Session organizers:

Prof. Dr. Frédéric Lebon, Aix-Marseille 1 University, LMA-CNRS, Marseille
lebon@lma.cnrs-mrs.fr

Prof. Dr. Ing. Franco Maceri, Rome 2 University
Franco.Maceri@lagrange.it

Deadlines:

30 April 2007

Submission of 2 page extended abstract by e-mail to the session organizer.

30 May 2007

Notification of acceptance (after review).

30 June 2007

Full paper (camera ready) to the conference server with the copy to the session organizer.
